

Cloze Test Few/Little

The training session progressed slowly because _____ candidates had prepared seriously for the advanced assessment. The instructor repeated key concepts since _____ clarity was required to ensure everyone understood the basic framework properly. As _____ resources that were allocated for practice were limited, students were advised to revise selectively and avoid unnecessary material. The schedule was adjusted because the administration had _____ time to complete the evaluation process accurately. Therefore, _____ questions became crucial for last-minute revision. Hence, _____ patience that was shown by the learners helped maintain discipline and allowed the session to conclude smoothly.

- A.** Few
- B.** A few
- C.** The few
- D.** Little
