CBSE CLASS 10 ENGLISH LANGUAGE & LITERATURE

Grammar Practice Worksheet & Rank File — Reported Speech (Dialogue Completion)

Note: Original practice questions modelled on the standard CBSE Board examination format.

4-STEP SOLVING STRATEGY

STEP 1

Identify Reply Meaning

Determine what the second speaker intended to convey in direct speech.

STEP 2

Change the Person

Shift pronouns appropriately:
I → he/she | my → his/her | we → they

STEP 3

Backshift Tense

Adjust verbs accurately:
am/is → was | have → had | will → would | can → could

**Important Rule: Do not change every verb blindly. Past simple tense (e.g., finished) may remain as simple past or past perfect depending on context, and universal truths remain in the present tense.*
